Bistro One Twelve at the Tannery is a Certified Green Business that serves "Aggressively Seasonal, Decidedly Local" menu items made from scratch.

*Our "**Bistro Burger**" leaves the beef behind with an environmentally sustainable riff on the classic midwestern Maid-Rite, featuring slow-braised Fogline Farm pork from pasture-raised local hogs, house-made pickles & ketchup, Gilroy garlic aioli, & Salinas Valley produce on toasted Telera rolls.*

Enjoy your guilt-free burger with an espresso drink from our partners 11th Hour Coffee or indulge in one of our deliberately curated local craft beers and wines.
